Personal protective equipment

Generally

Use only CE marked protective equipment.

Respiratory equipment

If ventilation at the work place is insufficient, use a half- or whole mask with an appropriate filter or an air-supplied breathing apparatus depending on the concrete work situation and how long you will be using the product.

Skin protection

Dedicated work clothing should be worn.

Hand protection

Recommended: Nitrile rubber. Breakthrough time: > 480 minutes (Class 6)

Eye protection

Wear safety glasses with side shields.
